

15" Nugget Ice Machine

Model # MLNP115

- Preferred for its satisfying crunch, easy to chew texture and slow melt
- Adaptable ice density from soft to extra crunchy
- Commercially-rated to produce up to 90 pounds of nugget ice daily and stores 30 pounds
- Engineered for supremely efficient ice production to conserve water and energy consumption
- Shaped in bite-sized 3/4" L x 1/2" H cylindrical ice nuggets
- Digital touch controls with built-in cleaning alerts simplify ownership and maintenance
- One of the easiest nugget ice machines to clean
- Midnight black interior with white LED lighting
- Factory-installed pump
- Field-reversible hinges and four leveling legs for adaptable installation
- Built-in or freestanding
- Available with stainless steel finish or easy-to-install panel ready option
