

# AGIO TILT OUT RANGE HOOD

**AN UPDATED CHOICE IN PANEL READY UNDER CABINETS.** The Agio has a new feature set to compliment its unique offering on the market today. This versatile under cabinet hood now comes with a panel ready front to accept your custom design with bright and functional halogen lights. With a tilt of the front panel, the lights and motor come on. Installation has even been improved with the introduction of a power cord on the hood to make powering the hood a snap.

## AVAILABLE MODELS

Model #	Size / Color	Motor Class (CFM)	Sound Levels (sones)
AGIO24PR300-B	24 Panel Ready	300 CFM	3.5 - 6.6 sones
AGIO30PR300-B	30 Panel Ready	300 CFM	3.5 - 6.6 sones

## KEY FEATURES

### Panel ready front

Out of the box the Agio has a blank metal front ready to easily accept custom panels

### Optional Panel Kits

Now stainless, black and white metal front kits are available

### 100% Ductless Option

When converted to ductless with charcoal, the Agio takes up zero cabinet space

### Halogen Lights

New 35 watt GU10 halogen bulbs are standard on the Agio vs. the previous fluorescent bulbs
