### 5 Light Chandelier

Transitional to modern in style, this attractive two-tone fixture is elegantly designed. Chic and stylish, the welded honeycomb cage hangs from slim decorative chains. Painted a matte black, the open cage provides high contrast to the fixture's shiny, plated chrome interior. Partially veiled by the geometric pattern, slender candelabras sit atop curved arms. A round distributer adds life to the fixture catching the eye as it hangs from a thin rod in the center.
